ABOUT THE SHOW

Disney's Alice in Wonderland Jr. is a fast-paced, fantastical musical adventure based on the beloved 1951 animated film and the classic stories by Lewis Carroll.

The story follows Alice, a curious young girl who tumbles down a rabbit hole into a strange and unpredictable world where nothing is quite as it seems. Along the way, she encounters an unforgettable cast of characters including the White Rabbit, Cheshire Cat, Mad Hatter, March Hare and the formidable Queen of Hearts. As Alice navigates this curious world, she learns to make sense of nonsense, find her voice and discover who she really is.

This stage adaptation features many of the iconic songs from the original Disney film, including 'I'm Late', 'The Unbirthday Song' and 'Painting the Roses Red', alongside brand new music by Danny Elfman that adds a fresh, contemporary energy to the score. The result is a vibrant, playful musical filled with humour, imagination and plenty of surprises.

With its colourful characters, clever wordplay and dreamlike storytelling, Alice in Wonderland is a celebration of curiosity, creativity and the joy of seeing the world a little differently.

We know it's tempting to reach for your phone when a young performer you know appears on stage, but for licensing, safeguarding and theatre etiquette reasons, photography or filming during the performance is strictly prohibited.

Please ensure phones are switched off or set to silent and enjoy the show live, in the moment. Thank you for helping us create a supportive and focused environment for our cast. Be aware that if you break this rule it'll be "off with your head"!
